We live and work in a diverse community, and at CPMO we want to see that diversity reflected in the residents involved with influencing the way CPMO is run. To strengthen the link between our staff and residents, we encourage all eligible residents to become members. We believe it makes a positive difference to how we work together and ensures residents are at the centre of housing services.

As a member you can choose your own level of involvement. You can vote in our annual board member election; participate in activities including filling out surveys; attending focus groups; joining us at an event; or being elected to the board. By becoming a member you can have a stronger voice in how we run things or you might just want to hear more about our work. It's up to you!

Joining is simple and it only cost 20p. Just fill out this form. If you need help with it, please contact us:
